#### **Charles & Colvard Reports Second Quarter 2015 Financial Results**

Direct-to-Consumer Businesses' Sales Increase; Inventory Reduced to \$34.5 Million

Conference Call to Be Held Today at 4:30 PM EDT

**MORRISVILLE, NC—August 6, 2015**—<u>Charles & Colvard, Ltd.</u> (NASDAQ: CTHR), the original and leading worldwide source of *Classic Moissanite*<sup>TM</sup> and *Forever Brilliant*<sup>®</sup>, *The World's Most Brilliant Gem*<sup>®</sup>, reports financial results for the second quarter and six months ended June 30, 2015.

"We enjoyed another quarter of strong sales growth in our direct-to-consumer businesses as the value, quality and beauty of our moissanite continued to resonate well with consumers," said Marvin Beasley, President and CEO of Charles & Colvard. "We also made progress in reducing inventory of our lower grades of loose jewels. Monetizing those assets was a key initiative in the second quarter."

"We are pleased with the growth of our direct-to-consumer businesses, with Lulu Avenue<sup>®</sup> and Moissanite.com producing strong sales growth this quarter," Mr. Beasley continued. "We expect sales from both of these channels to continue to show year-over-year increases, as awareness of moissanite continues to build through our marketing and branding efforts. During the quarter, we launched Moissy.com, a platform that increases awareness of and knowledge about this unique gemstone, and allows existing moissanite fans and new customers to share their personal moissanite stories, images and articles on social media and to be further inspired by the brilliance of moissanite."

Mr. Beasley concluded, "Our team has worked diligently to strengthen our sales, reduce our inventory and strengthen our cash position. However, we know there is still a lot of room for improvement. We look forward to continuing to build awareness of our brands, and strengthening the Company through our existing and new customers."
