# CHARLES & COLVARD REPORTS FIRST QUARTER FISCAL YEAR 2024 FINANCIAL RESULTS

Conference Call with Accompanying Slide Presentation Scheduled Today at 4:30 PM ET

#### FOR IMMEDIATE RELEASE

**RESEARCH TRIANGLE PARK, N.C.** – November 9, 2023 – <u>Charles & Colvard, Ltd</u>. (Nasdaq: CTHR) (the "Company"), a globally recognized fine jewelry company that specializes in moissanite and lab grown diamonds, reported financial results for the first quarter ended September 30, 2023 ("First Quarter Fiscal 2024").

### **Management Commentary**

"While we experienced continued softness in the first quarter, we remain optimistic that our strategic initiatives will help us to overcome weakened consumer spending amidst a challenging economy. Despite industry challenges, we believe we have the product portfolio to meet and exceed customer demands during the upcoming holiday season. We remain focused on reaching broader audiences and capturing greater market share as our investments in technology begin to drive revenue," said Don O'Connell, President and CEO of the Company.

"We are excited and encouraged by the growth opportunities of our shoppable streaming initiative, which we believe will have an important impact on our market positioning and brand awareness. Our in-house technology enables us to reach a wider audience and engage with our customers in innovative ways. We believe there is potential for future revenue growth as we leverage this medium to educate consumers and showcase our Forever One<sup>TM</sup> moissanite and Caydia<sup>®</sup> lab grown diamond product brands in authentic and relatable ways. Additionally, our ability to repurpose long-form content on different channels allows us to maximize the reach and affordability of our marketing strategies," concluded O'Connell.

#### **Forward-Looking Statements**

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Statements expressing expectations regarding our future and projections relating to our products, sales, revenues, and earnings are typical of such statements and are made under the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about our plans, objectives, representations, and contentions and are not historical facts and typically are identified by use of terms such as "may," "will," "should," "could," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "continue," and similar words, although some forward-looking statements are expressed differently.

All forward-looking statements are subject to the risks and uncertainties inherent in predicting the future. You should be aware that although the forwardlooking statements included herein represent management's current judgment and expectations, our actual results may differ materially from those projected, stated, or implied in these forward-looking statements as a result of many factors including, but not limited to, (1) our business and our results of operations could be materially adversely affected as a result of general economic and market conditions; (2) our future financial performance depends upon increased consumer acceptance, growth of sales of our products, and operational execution of our strategic initiatives; (3) we face intense competition in the worldwide gemstone and jewelry industry; (4) we have historically been dependent on a single supplier for substantially all of our silicon carbide, or SiC, crystals, the raw materials we use to produce moissanite jewels; if our supply of high-quality SiC crystals is interrupted, our business may be materially harmed; (5) constantly evolving privacy regulatory regimes are creating new legal compliance challenges; (6) our information technology, or IT, infrastructure, and our network has been and may be impacted by a cyber-attack or other security incident as a result of the rise of cybersecurity events; (7) we are subject to certain risks due to our international operations, distribution channels and vendors; (8) our business and our results of operations could be materially adversely affected as a result of our inability to fulfill orders on a timely basis; (9) we are currently dependent on a limited number of distributor and retail partners in our Traditional segment for the sale of our products; (10) we may experience quality control challenges from time to time that can result in lost revenue and harm to our brands and reputation; (11) the effects of COVID-19 and other potential future public health crises, epidemics, pandemics or similar events on our business, operating results, and cash flows are uncertain; (12) seasonality of our business may adversely affect our net sales and operating income; (13) our operations could be disrupted by natural disasters; (14) sales of moissanite and lab grown diamond jewelry could be dependent upon the pricing of precious metals, which is beyond our control; (15) our current customers may potentially perceive us as a competitor in the finished jewelry business; (16) if the e-commerce opportunity changes dramatically or if e-commerce technology or providers change their models, our results of operations may be adversely affected; (17) governmental regulation and oversight might adversely impact our operations; (18) the execution of our business plans could significantly impact our liquidity; (19) we are subject to arbitration, litigation and demands, which could result in significant liability and costs, and impact our resources and reputation; (20) the financial difficulties or insolvency of one or more of our major customers or their lack of willingness and ability to market our products could adversely affect results; (21) negative or inaccurate information on social media could adversely impact our brand and reputation; (22) we rely on assumptions, estimates, and data to calculate certain of our key metrics and real or perceived inaccuracies in such metrics may harm our reputation and negatively affect our business; (23) we may not be able to adequately protect our intellectual property, which could harm the value of our products and brands and adversely affect our business; (24) environmental, social, and governance matters may impact our business, reputation, financial condition, and results of operations; (25) if we fail to evaluate, implement, and integrate strategic acquisition or disposition opportunities successfully, our business may suffer; (26) our failure to maintain compliance with The Nasdaq Stock Market's continued listing requirements could result in the delisting of our common stock; (27) some anti-takeover provisions of our charter documents may delay or prevent a takeover of our Company; and (28) we cannot guarantee that our share repurchase program will be utilized to the full value approved, or that it will enhance long-term stockholder value and repurchases we consummate could increase the volatility of the price of our common stock and could have a negative impact on our available cash balance, in addition to the other risks and uncertainties described in more detail in our filings with the U.S. Securities and Exchange Commission (the "SEC"), including our Annual Report on Form 10-K for the fiscal year ended June 30, 2023 and subsequent reports filed with the SEC. Forward-looking statements speak only as of the date they are made. We undertake no obligation to update or revise such statements to reflect new circumstances or unanticipated events as they occur except as required by the federal securities laws, and you are urged to review and consider disclosures that we make in the reports that we file with the Securities and Exchange Commission, or SEC, that discuss other factors relevant to our business.
