Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on March 2, 2026, Charles & Colvard, Ltd., a North Carolina corporation (the “Company”), filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code (“Chapter 11”) in the United States Bankruptcy Court for the Eastern District of North Carolina (the “Bankruptcy Court”), and commenced a Chapter 11 case for the Company (the “Chapter 11 Case”). The case is styled as *In re Charles & Colvard, Ltd.*

On April 15, 2025, the Company finalized negotiations of an Asset Purchase Agreement (the “Purchase Agreement”) with Van Lang Jewelry LLC or its affiliate Jewelry Design Partners LLC (the “Buyer”), pursuant to which, subject to the terms and conditions set forth therein, including approval of the Bankruptcy Court, the Buyer agreed to acquire the assets of the Company (except for the Excluded Assets, as listed on Schedule 1 thereto) and assume certain liabilities (the “Transaction”), for consideration of \$1,500,000 (subject to a credit bid and offset against all of the indebtedness owed to the Buyer under the Section 364 Financing Loan Agreement dated March 24, 2026, by and between the Company and the Buyer). A former member of the Company’s Board of Directors (the “Board”), Duc Pham, who resigned from the Board on March 25, 2026, is a Manager of Jewelry Design Partners LLC.

Upon receipt of Bankruptcy Court approval, the Buyer is expected to be designated as the “stalking horse” bidder with respect to the assets to be acquired under the Purchase Agreement in connection with a sale of the Company’s assets under section 363 of the Bankruptcy Code. The Transaction will be conducted pursuant to Bankruptcy Court-approved bidding procedures and is subject to (a) the receipt of a bid that meets the specifications set forth in the Purchase Agreement and that constitutes, in the Company’s reasonable judgment, a higher or otherwise better offer from competing bidders (a “Higher or Better Bid”), (b) approval of the sale by the Bankruptcy Court, and (c) the satisfaction of certain conditions to closing.

The Purchase Agreement contains customary representations, warranties and covenants of the parties for a transaction involving the acquisition of assets from a debtor in bankruptcy, and the completion of the Transaction is subject to a number of conditions, including, among others, the entry of an order of the Bankruptcy Court authorizing and approving the Transaction, the performance by each party of its obligations under the Purchase Agreement, and the accuracy of each party’s representations, subject to certain materiality qualifiers. The Purchase Agreement may be terminated by the Buyer or the Sellers under certain circumstances, including, among others, if the Transaction is not closed by July 7, 2026.

Subject to Bankruptcy Court approval and in accordance with the terms and conditions set forth in the Purchase Agreement, the Buyer may be entitled to a break-up fee of \$45,000 cash consideration, paid by the Company, if the Purchase Agreement is terminated by the Company due to the receipt of a Higher or Better Bid, and the Company consummates, or obtains Bankruptcy Court approval to consummate, a sale of all or substantially all of its assets to another entity. In addition, subject to Bankruptcy Court approval and in accordance with the terms and conditions set forth in the Purchase Agreement, the Company shall reimburse the Buyer for its reasonable, documented, out of pocket fees and expenses incurred in connection with the negotiation, execution, and performance of the Purchase Agreement and participation in the sale process, in an amount not to exceed \$45,000, if (a) the Purchase Agreement is terminated by the Buyer due to (i) the Buyer’s conditions to close having become incapable of fulfillment (other than due to the Buyer’s breach of any covenant or agreement contained in the Purchase Agreement) or (ii) the Company’s material breach of the representations and warranties, taken as a whole, or of any material covenant or agreement contained in the Purchase Agreement which breach cannot be or has not been cured within 10 business days after the giving of written notice of such breach, or (b) if the Purchase Agreement is terminated by the Company due to (i) the closing not having occurred by the date following the satisfaction or waiver of all closing conditions by each party thereto, as applicable, (ii) the Bankruptcy Court failing to enter the sale order by July 2, 2026, or (iii) the closing not having occurred by July 7, 2026.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of the Purchase Agreement and as of specific dates, were made solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the parties thereto and qualified by disclosures not reflected in the text of the Purchase Agreement, are not intended to provide factual, business, or financial information about the parties thereto and may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for purposes of allocating risk between the Buyer and the Company, rather than establishing matters as facts. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in the Company’s public disclosures. Accordingly, you should not rely upon the representations and warranties in the Agreement as statements of factual information.

Cautionary Note Regarding the Chapter 11 Case

The Company cautions that trading in the Company's common stock during the pendency of the Chapter 11 Case is highly speculative and poses substantial risks. Trading prices for the Company's common stock may bear little or no relationship to the actual recovery, if any, by the holders of the Company's common stock in the Chapter 11 Case. The Company expects that holders of the Company's common stock may experience a significant or complete loss on their investment, depending on the outcome of the Chapter 11 Case. Accordingly, the Company urges extreme caution with respect to existing and future investments in its common stock.

Cautionary Statements Regarding Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements typically can be identified by use of terms such as "may," "will," "should," "could," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "continue," and similar words, although some forward-looking statements are expressed differently. All forward-looking statements are subject to the risks and uncertainties inherent in predicting the future. You should be aware that although the forward-looking statements included herein represent management's current judgment and expectations, the Company's actual results may differ materially from those projected, stated, or implied in these forward-looking statements as a result of many factors including, but not limited to, risks attendant to the bankruptcy process, including the Company's ability to obtain court approval from the Bankruptcy Court with respect to motions or other requests made to the Bankruptcy Court throughout the course of Chapter 11; the effects of Chapter 11, including increased legal and other professional costs necessary to execute the Company's restructuring process, on the Company's liquidity (including the availability of operating capital during the pendency of Chapter 11); the effects of Chapter 11 on the interests of various constituents and financial stakeholders; the length of time that the Company will operate under Chapter 11 protection and the continued availability of operating capital during the pendency of Chapter 11; objections to the Company's restructuring process or other pleadings filed that could protract Chapter 11; risks associated with the Company's proposed restructuring plan; risks associated with third-party motions in Chapter 11; Bankruptcy Court rulings in the Chapter 11 process and the outcome of Chapter 11 in general; employee attrition and the Company's ability to retain senior management and other key personnel due to the distractions and uncertainties; in addition to the other risks and uncertainties described in more detail in the Company's filings with the U.S. Securities and Exchange Commission. Furthermore, such forward-looking statements speak only as of the date of this Current Report on Form 8-K. Except as required by applicable law, the Company does not intend to update any of the forward-looking statements to conform these statements to actual results, later events or circumstances or to reflect the occurrence of unanticipated events.

None of the Excluded Assets will be conveyed to Purchaser.

2.2 **Purchase of Assets**. Purchaser agrees to purchase the Assets upon and subject to the terms, conditions and provisions set forth herein and pursuant to the terms in the Sale Order.

To the extent this Section 2.4 conflicts with any other provision of this Agreement, this Section 2.4 controls.

2.5 **Nonassignable Assets.** To the extent that the assignment of any Asset shall require the consent of any other party and such consent shall still be required notwithstanding the Sale Order and Sections 363 and 365 of the Bankruptcy Code (each, a "Nonassignable Asset") nothing in this Agreement nor the consummation of the transactions contemplated hereby shall be construed as an attempt or agreement to assign such Nonassignable Asset unless and until such consent shall have been obtained.

2.6 **Method of Conveyance.** The sale, transfer, conveyance, assignment, and delivery by Seller of the Assets to Purchaser hereunder shall be effected on the Closing Date by delivery by Seller of: (a) assignment(s) and bill(s) of sale and such other instruments of conveyance in the form of Exhibit A (collectively, "Bill of Sale") conveying all right, title, and interest of Seller and its bankruptcy estate in all Assets that comprise tangible or intangible personal property, including separate assignment(s) of any U.S. trademark registrations and applications, if any, included within the Purchased Intellectual Property Licenses in a form suitable for recording with the U.S. Patent and Trademark Office, all to the fullest extent permitted by Law, free and clear of any and all Liens, except for Permitted Encumbrances.

2.7 **Assumed Contracts.** On and after the Effective Time, Purchaser shall assume and be responsible for, and shall timely pay, perform, and discharge in accordance with their terms, all obligations (i) arising after the Effective Time with respect to executory contracts and unexpired leases identified on Schedule 2.7 (the "Assumed Contracts"). Except for the Assumed Contracts, Purchaser shall not be assigned any contracts or leases of Seller and shall not be responsible for any of Seller's contracts or leases.

2.8 **Assumption of Liabilities.**

(a) As of the Effective Time, Purchaser shall assume and be responsible for, and shall timely pay, perform, and discharge in accordance with their respective terms all Liabilities of the Business (the "Assumed Liabilities") accruing from and after the Effective Time incurred in connection with or otherwise relating to the Assets or the Business.

(b) As of the Effective Time, Purchaser shall assume and be responsible for, and shall timely pay, perform, and discharge in accordance with their respective terms the obligations of Seller arising from and after the Effective Time under Assumed Contracts which Seller shall assign and as to which Purchaser shall assume all obligations thereunder, except that Purchaser shall not assume the obligations to pay Cure Payments relating to the Assumed Contracts.

(c) On the Closing Date, Purchaser shall assume no liability for Seller's accrued payroll, accrued payroll taxes, and accrued paid annual leave.

(d) Seller shall be responsible for the payment of the Cure Payments, if any, required with respect to the Assumed Contracts with said payments being made to the counterparty to the Assumed Contracts when the Cure Payments become due pursuant to the Sale Order unless the Seller and the counterparty to an Assumed Contract agree otherwise. Such Cure Payments shall be paid from the Cash Purchase Price. Seller represents that Schedule 2.8(d) lists all executory contracts necessary to Seller's ongoing operations that require a cure.

(e) Notwithstanding anything to the contrary in this Agreement, (i) Purchaser shall consult with Seller with respect to the terms of the assumption of the Assumed Contracts provided that Purchaser shall not modify any terms thereof without the prior written consent of Seller if such modification would be or could reasonably be expected to be adverse to Seller in any respect, and (ii) the rights of Seller to object to such terms are expressly preserved and reserved.

(f) Seller shall be responsible for prosecuting all objections to the Cure Payments. Seller shall, at Seller's sole cost, (i) negotiate the amount of all Cure Payments and/or (ii) pay all of Purchaser's legal and other fees and expenses, if any, to the extent incurred because of Purchaser being required to intervene or defend) relating to any litigation or other dispute in connection with or otherwise relating to Cure Payments.

2.9 Taxes and Assessments. The Liability for payment of accrued but unbilled or unpaid Taxes (including, but not limited to, real estate taxes, personal property tax, ad valorem tax and similar non-income Taxes) and other assessments relating to, or arising out of the ownership or transfer of, the Assets or the Assumed Contracts (including, but not limited to any water, sewer and other municipal charges owed to any Governmental Authority), imposed on a periodic basis beginning before and ending after the Effective Time or as a result of the consummation of the transactions evidenced by this Agreement or otherwise, shall be paid by Seller at the Closing, provided that Seller has received at Closing the purchase price required to be paid by Purchaser pursuant to this Section. All Taxes and other assessments shall be listed on Schedule 7, which shall be prepared and delivered at Closing. If any Taxes or other assessments paid by Seller at any time on or prior to the Closing Date are attributable in whole or in part to any period following the Closing, then the Purchase Price payable at Closing shall be increased to adjust for the prior payment of such Taxes and assessments by Seller attributable to the post-closing period.

2.10 Intentionally Deleted.

2.11 Closing Obligation.

(a) Upon entry of the Sale Order, Seller and Purchaser shall have the obligation to consummate the Closing pursuant to and subject to the terms of this Agreement and the Sale Order. If Purchaser fails to consummate the purchase of the Assets on or before July 7, 2026 (unless such failure arises from Seller's uncured material breach and unless Seller and Purchaser agree to extend such deadline in writing), Seller is authorized but not required to effect the sale of the Assets to one or more third parties as soon as is commercially reasonable subject to further Orders of the Bankruptcy Court.

2.12 Purchase Price.

(a) In consideration of the sale, transfer, conveyance, and assignment of the Assets to Purchaser, Purchaser shall at Closing: (i) assume the Assumed Liabilities, (ii) pay to Seller cash by wire transfer of immediately available funds (the "Cash Purchase Price") in the amount necessary to ensure that the Credit Bid Amount plus the Cash Purchase Price equal \$1,500,000.00; (iii) pay to Seller the Credit Bid Amount (as defined below); (iv) assume the liabilities described in Sections 2.7 and 2.8 on the terms contained therein; and (v) pay to Seller the amount required under Section 2.9 (collectively, the "Purchase Price").

(b) Credit Bid Amount. Purchaser shall pay a portion of the Purchase Price by way of a credit bid (the "Credit Bid") in an amount equal to all outstanding, accrued, and unpaid obligations, liabilities, fees, costs, indemnities, yield maintenance, make-whole amounts, premiums, and other amounts, in each case to the extent payable pursuant to the court-approved debtor-in-possession financing facility provided by Purchaser to Seller under that certain Section 364 Financing Loan Agreement dated March 24, 2026 (as amended, restated, supplemented, or otherwise modified from time to time, the "DIP Facility"), including, without limitation: (a) all principal outstanding under the DIP Facility; (b) all accrued and unpaid interest (including default interest, if any); (c) all accrued and unpaid fees, expenses, and charges (including, without limitation, agency fees, unused fees, closing fees, exit fees, monitoring fees, appraisal fees, and any other contractual fees); (d) all costs and expenses of the Purchaser reimbursable under the DIP Facility (including, without limitation, reasonable and documented attorneys', advisers', consultants', and financial advisors' fees and expenses); and (e) all protective advances and other amounts owing under the DIP Facility or any related loan documents approved by the Bankruptcy Court (collectively, the "DIP Obligations"), in each case as of the Closing (the "Credit Bid Amount"). For the avoidance of doubt, the Credit Bid Amount shall be reduced by any amounts of the DIP Obligations that have been indefeasibly paid in cash prior to the Closing.

(c) Application of Credit Bid. Effective upon the Closing, the Credit Bid Amount shall be irrevocably applied, dollar-for-dollar, as a credit against the Purchase Price and, correspondingly, as a satisfaction, to the extent of the Credit Bid Amount, of the DIP Obligations in the following order of priority (to the extent applicable and outstanding): (a) first, to accrued and unpaid fees, costs, expenses, and indemnities owing under the DIP Facility; (b) second, to accrued and unpaid interest (including default interest, if any); (c) third, to outstanding principal; and (d) fourth, to any other DIP Obligations then due and payable under the DIP Facility and approved by the Bankruptcy Court. The parties acknowledge and agree that the Credit Bid is made pursuant to, and conditioned upon, entry of the Sale Order authorizing Purchaser, as a holder of claims arising under the DIP Facility, to credit bid the DIP Obligations up to the full amount thereof.

(d) Evidence of Amounts; Statements. No later than two (2) Business Days prior to the Closing Date, Purchaser shall deliver to Seller a payoff statement (for informational purposes) setting forth a good-faith itemization of the then-outstanding DIP Obligations proposed to be satisfied by the Credit Bid, including the calculation of the Credit Bid Amount and the application thereof in accordance with Section 3. Any disputes regarding the amounts set forth in such payoff statement shall not delay Closing and shall be resolved post-Closing, with appropriate true-up payments in cash within five (5) Business Days following resolution.

(e) No Cash Payment for Credit Bid. Except as expressly provided in this Agreement, no cash shall be paid by Purchaser to Seller or any other Person on account of the portion of the Purchase Price satisfied by the Credit Bid, it being the intent of the parties that the Credit Bid Amount constitutes non-cash consideration credited against the Purchase Price as and to the extent permitted by the Sale Order.

(f) Conditions; Sale Order. The effectiveness of the Credit Bid and the application thereof to the DIP Obligations are expressly conditioned upon entry by the Bankruptcy Court of an order approving the sale of the Assets to Purchaser free and clear of liens, claims, and interests and authorizing Purchaser to credit bid the DIP Obligations as contemplated herein (the Sale Order). If the Sale Order does not authorize the Credit Bid in the manner contemplated by this Section, the parties shall cooperate in good faith to implement an alternative structure that achieves, to the maximum extent permitted, the economic effect of the Credit Bid, including by adjusting the Cash Purchase Price and applying the proceeds to repay the DIP Obligations at Closing, subject in all respects to further order of the Bankruptcy Court.

(g) No Merger; Reservation of Rights. The satisfaction of the DIP Obligations by application of the Credit Bid Amount shall not affect, impair, or limit any rights, remedies, claims, defenses, or priorities of Purchaser with respect to any obligations not satisfied by the Credit Bid, including, without limitation, with respect to any Excluded Assets, Excluded Liabilities, or obligations expressly surviving Closing under the DIP Facility, except to the extent expressly provided in this Agreement or required by the Sale Order.

(h) The Parties agree to report this transaction for federal, state, and local Tax purposes consistently and in accordance with this Section 2.12.

2.13 Intentionally Deleted.

2.14 Closing. The Closing shall take place at 10:00 a.m., prevailing Eastern Time, on the Closing Date at the offices of Seller's bankruptcy counsel, or at such other time and place as the Parties may agree in writing. The Closing shall be deemed to have occurred and to be effective as between the parties as of the Effective Time. Seller will operate the Business until immediately prior to the Effective Time.

2.15 Intentionally Deleted.

2.16 Closing Deliveries of Seller. At the Closing, in addition to any other documents, assignments, certificates, letters, orders, or agreements described in Section 2.6 or otherwise required to be delivered pursuant to the terms of this Agreement, and the satisfaction of all the conditions set forth in Articles VI and VIII, Seller shall deliver to Purchaser the following:

(c) copies of the resolutions of all corporate bodies of Purchaser necessary to authorize the transactions contemplated hereby, authorizing the purchase of the Assets and the execution and delivery by Purchaser of this Agreement and the consummation by Purchaser of the transactions contemplated hereby, certified by an authorized signatory of Purchaser.

2.18 Intentionally Deleted.

2.18 2.19 Further Conveyances and Assumptions. From time to time following Closing, each Party shall, and shall cause their respective Affiliates to execute, acknowledge, and deliver all such further conveyances, notices, assumptions, releases, and other instruments, and shall take such further actions, as may be reasonably necessary or appropriate (i) to assure fully to Purchaser and its successors and permitted assigns, all of the properties, rights, titles, interests, estates, remedies, powers, and privileges intended to be conveyed to Purchaser under this Agreement and (ii) to assure fully to Seller and its successors and permitted assigns, the assumption of the Assumed Liabilities and other obligations intended to be assumed by Purchaser under this Agreement, and to otherwise make effective the transactions contemplated herein. Without limiting the generality of the foregoing, if Seller receives any Assets or payments related to the Assets after the Closing Date, it will promptly turn over same to Purchaser.

In addition, the Bankruptcy Court shall have entered the Sale Order, and, unless waived by Purchaser in writing in its sole discretion, the Sale Order shall have become a final, non-appealable order.

6.2 **No Injunctions.** No injunction or restraining Order (whether temporary, preliminary or permanent) of any Governmental Authority shall exist against Purchaser or Seller that prevents the transactions contemplated hereby and approved in the Sale Order. **ARTICLE VIII
CONDITIONS TO SELLER'S OBLIGATIONS**

The obligations of Seller to consummate the transactions provided for in this Agreement shall be subject to the satisfaction of each of the following conditions on or before the Closing Date, subject to the right of Seller, in its sole discretion to waive any one or more of the conditions set forth below:

8.1 **Representations and Warranties of Purchaser.** The representations and warranties of Purchaser contained in this Agreement, taken as a whole, shall be true and correct in all material respects on the Closing Date, except to the extent that any representation or warranty is made as of a specified date, in which case such representation or warranty shall be true in all material respects as of such date, and except to the extent of changes permitted by the terms of this Agreement.

8.2 **Performance of this Agreement.** Purchaser shall have materially performed or complied with all of the obligations to be performed or complied with by it under the terms of this Agreement on or prior to the Closing Date.

8.3 **Payment of Purchase Price and Assumption of Liabilities and Assumed Contracts.** Seller shall receive from Purchaser on the Closing Date the Purchase Price pursuant to Section 2.12 of this Agreement and Purchaser shall have assumed the Assumed Liabilities pursuant to a document that is reasonably satisfactory to Seller.

8.4 **Documents.** Seller shall have received a signed copy of this Agreement with all Schedules and Exhibits attached, as updated through and including the Closing and copies of all such other documents and certificates executed and delivered hereunder.

**ARTICLE IX
SURVIVAL**

9.1 **Survival.** Sections 2.7, 2.8, 2.9, 5.1(d), 5.7, 5.8, 5.10, 5.13, 5.14, 5.16, 5.17, 5.18, 5.19, and 5.20, this Section 9.1 and Article 11, and all defined terms used therein, shall survive the Closing, except to the extent (if at all) that such survival is expressly limited herein. The representations and warranties of the Parties shall expire upon the consummation of the Closing.

**ARTICLE X
LIMITED AGREEMENT TERMINATION RIGHTS**

10.1 **Termination of Agreement.** This Agreement and the transactions contemplated hereby may be terminated prior to the Closing Date only as follows:

(a) by mutual written consent of Purchaser and Seller;

(b) except as otherwise provided in this Agreement, by either Party if the Closing shall not have occurred on or before the Closing Date;

(c) by Purchaser if any of the conditions to the obligations of Purchaser to close set forth in Article VII shall have become incapable of fulfillment other than because of a breach by Purchaser of any covenant or agreement contained in this Agreement and such condition is not waived by Purchaser;

(d) by Purchaser if there shall be a material breach by Seller, as determined by the Bankruptcy Court, of the representations and warranties, taken as a whole, or of any material covenant or agreement contained in this Agreement which breach cannot be or has not been cured within ten (10) Business Days after the giving of written notice by Purchaser to Seller of such breach;

(e) by Seller if any of the conditions to the obligations of Seller to close set forth in Article VIII shall have become incapable of fulfillment other than as a result of a breach by Seller of any covenant or agreement contained in this Agreement and such condition is not waived by Seller;

(f) by Seller if there is a material breach by Purchaser, as determined by the Bankruptcy Court, of the representations and warranties, taken as a whole, or of any material covenant or agreement contained in this Agreement which breach cannot be or has not been cured within ten (10) Business Days after the giving of written notice by Seller to Purchaser of such breach; or

(g) by Seller, at any time prior to the entry of the Sale Order, if Seller determines in good faith, consistent with its fiduciary duties and the Bidding Procedures approved by the Bankruptcy Court, that it has received a bona fide Qualified Bid that constitutes, in Seller's reasonable judgment, a higher or otherwise better offer for the Assets (a "Higher or Better Bid"), and Seller intends to accept such Higher or Better Bid, subject to Bankruptcy Court approval if required. Upon such termination, this Agreement shall be of no further force or effect, except as expressly provided in this subsection and in those provisions that by their terms survive termination. In the event this Agreement is terminated pursuant to this subsection and Seller consummates, or obtains Bankruptcy Court approval to consummate, a sale of all or substantially all of the Assets to another entity, Seller shall pay to Purchaser, as Purchaser's sole and exclusive monetary remedy, a break-up fee in an amount equal to \$45,000 (the "Break-Up Fee"), which Break-Up Fee shall be payable in cash from the proceeds of such alternative transaction at or promptly following the closing thereof, subject to Bankruptcy Court approval.

(h) If this Agreement is terminated pursuant to Section 10.1(c) or (d) or if Seller terminates this Agreement pursuant to Section 10.1(b), (i), or (j), Seller shall reimburse Purchaser for Purchaser's reasonable, documented, out of pocket fees and expenses incurred in connection with the negotiation, execution, and performance of this Agreement and participation in the sale process, in an amount not to exceed \$45,000, payable in cash on or before the date that is thirty (30) days after the termination of this Agreement.

- (i) by Seller or Purchaser if the Bankruptcy Court fails to enter the Sale Order by July 2, 2026.
- (j) by Seller or Purchaser if the Closing shall not have occurred by July 7, 2026.

10.2 Procedure for Termination. If this Agreement is terminated by Purchaser or Seller, or both, pursuant to Section 10.1, written notice thereof shall forthwith be given to the other party, and upon the giving of such notice (or at such time as specified in the particular termination right set forth in Section 10.1) the transactions contemplated hereunder shall be abandoned and this Agreement shall terminate to the extent and with the effect provided in Section 10.3, without further action by the parties.

10.3 Effects of Termination. If this Agreement is validly terminated as provided herein, then each party shall be relieved of its duties and obligations arising under this Agreement after the date of such termination and such termination shall be without Liability to any party; provided, however, that (i) the obligations of the parties set forth in Article XI of this Agreement, and to the extent necessary to effectuate the foregoing enumerated provisions, Article I of this Agreement, shall survive any such termination and shall be enforceable in accordance with their terms, and (ii) if this Agreement is terminated as provided herein, each party shall upon request redeliver or destroy as soon as practicable any or all documents, work papers and other material of the other party relating to its business or affairs or the transactions contemplated hereunder, whether obtained before or after the execution hereof, to the party furnishing the same, other than any material which is of public record. Nothing in this Section 10.3 shall relieve the parties of any Liability for a breach of this Agreement prior to the date of termination.

ARTICLE XI MISCELLANEOUS

11.1 Assignment; Binding Agreement.

(a) Except as set forth in Section 11.1(c), neither this Agreement nor any rights or obligations of a Party hereunder may be assigned or delegated without the other Party's prior written consent. Any purported assignment or delegation without such consent shall be void. Provided, however, Purchaser may assign any or all its rights under this Agreement to Jewelry Design Partners LLC. Such approved assignment may be accomplished prior to the entry of the Sale Order such that the Sale Order would authorize the sale of the Assets as well as the assignment of the Assumed Contracts directly to Jewelry Design Partners LLC without further consent or notice.

(b) This Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the Parties hereto and to their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights, remedies, obligations, or Liabilities.

11.2 Post-Closing Cooperation. From time to time after the Closing, Seller will execute and deliver, or cause to be executed and delivered, such documents to Purchaser as Purchaser shall reasonably request in order to consummate more effectively the transactions contemplated by this Agreement, including, without limitation, the transfer of the Assets to Purchaser. From time to time after the Closing, Purchaser will execute and deliver, or cause to be executed and delivered, such documents to Seller as Seller shall reasonably request in order to consummate more effectively the transactions contemplated by this Agreement, including, without limitation, Purchaser's assumption of the Assumed Liabilities. From and after the Closing, Seller shall use its commercially reasonable efforts to deliver to Purchaser all such books, reports and other documents that constitute or relate to Assets (which may be redacted to the extent not relevant to the Assets) as may be requested by Purchaser which were not delivered on or before the Closing Date, and to assist the Purchaser in obtaining any Authorizations not obtained by Purchaser prior to the Closing.

11.3 **Expenses.** Except as set forth in this Agreement, each Party shall pay the fees and expenses of its respective counsel, accountants, and other experts and shall pay all other expenses incurred by it in connection with the negotiation, preparation, and execution of this Agreement and the consummation of the transactions contemplated hereby.

11.4 **Entire Agreement and Modification.** This Agreement, including any Exhibits and Schedules attached hereto and thereto and any other documents hereby required to be delivered at the Closing, and any confidentiality agreement previously executed by Seller and Purchaser or Purchaser's Affiliate, constitute the entire agreement between the Parties and supersede all prior discussions, negotiations, or agreements relating to the subject matter of this Agreement. No changes of, additions to, or other modifications of this Agreement shall be valid unless the same is in writing and signed by the Parties.

11.5 **Severability.** If any provision of this Agreement shall be determined to be contrary to Law and unenforceable by any Court, the remaining provisions shall be severable and enforceable in accordance with their terms. To the extent any provision of this Agreement is enforceable in part but not in whole, such provision shall be enforced to the maximum extent permitted by applicable Law.

11.6 **Waiver.** Any of the conditions to Closing set forth in this Agreement, except for those set forth in Article VI, may be waived at any time prior to or at the Closing hereunder by the Party entitled to the benefit thereof. Any such waiver shall only be effective if it is in writing and signed by the Party to be charged with such waiver. The failure of any Party hereto to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any other breach of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of such Party thereafter to enforce each and every such provision. No waiver of any breach of or non-compliance with this Agreement shall be held to be a waiver of any other or subsequent breach or non-compliance.

11.7 **Counterparts.** This Agreement may be executed in multiple counterparts, by the Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. All signatures of the Parties to this Agreement may be transmitted by email or facsimile, and such email or facsimile of signature will, for all purposes, be deemed to be the original signature of such Party whose signature it reproduces and will be binding upon such Party.

11.8 **Headings; Interpretation.** The table of contents and article and section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

11.9 **Governing Law.** This Agreement shall be construed and interpreted according to the Laws of the State of North Carolina, without regard to the application of the choice of law principles thereof. All of the conveyance documents executed and delivered pursuant to the terms hereof shall be governed by and continued and interpreted according to the Laws of the State of North Carolina, without regard to the application of the choice of law principles thereof.

11.10 **Bankruptcy Court Jurisdiction.**

(a) Purchaser and Seller agree that the Bankruptcy Court shall have exclusive jurisdiction over all disputes, Claims, and other controversies (collectively, “Disputes”) and other matters relating to (a) the interpretation and enforcement of this Agreement or any document executed pursuant hereto; (b) the Assets; (c) the Assumed Liabilities and other obligations assumed by the Purchaser under this Agreement; and (d) any obligations surviving Closing, as long as the Bankruptcy Court reserves such jurisdiction, and Purchaser expressly consents to and agrees not to contest such exclusive jurisdiction.

(b) The parties shall jointly request that the Bankruptcy Court reserve jurisdiction to consider Disputes arising under this Agreement even after the closing of the Bankruptcy Case. To the extent allowed under existing and controlling law in the Fourth Circuit as of the Closing Date, the parties consent to the jurisdiction of the Bankruptcy Court to hear all such Disputes and to enter final orders with respect to all matters and issues raised therein.

11.11 **Notices.** All notices, requests, demands and other communications hereunder shall be deemed to have been duly given if the same shall be in writing and shall be delivered or sent (a) by personal delivery against a receipted copy, (b) by certified mail, return receipt requested, or (c) by e-mail if the addressee confirms receipt of the e-mail, and addressed as set forth below:
